ALMA MATER

Let's give a rah for E. R. H. S.,
 And let us pledge to her anew.
 Others may like black or crimson,
 But for us it's maroon and gray.
 Let all our troubles be forgotten,
 Let high school spirit rule.
 Let's join and give our royal effort
 For the good of our old school.

It's E. R. H. S., It's E. R. H. S.
 The pride of every boy and girl!
 Come on, you old grads!
 Join with us young lads.
 It's E. R. H. S. now we cheer, rah!.rah!
 Now is the time, boys,
 To make a big noise,
 No matter what the teacher says.
 For there is none to fear,
 The gang's all here:
 So hail to E. R. H. S., hail!

FOREWORD

In this our Tenth edition of "The Eagle" we attempt to present in our own way a true picture literary and pictorial, of our activities in this eventful year.

Our America of today has given us the inspiration for our motifs which are to be found around each page. We hope you see in this a reflection of our spirit which is the spirit of America.

To those who have assisted in the preparation and publication of this book, we take this opportunity to extend our most hearty appreciation.

If on the papers his name is signed,

SENIOR CLASS HISTORY

In the fall of 1941, thirty-two seniors assembled in the Eagle Rock High School to begin our last year together. With our pilot, Miss Duncan, we have had an eventful year.

During this year we elected the following class officers: President; Glenn Noffsinger, Vice-President; Frank Simmons, Secretary-Treasurer; Mildred Teaford, and Reporter; Thelma Crawford. Many of us seniors also took part in various activities.

The next great event which really made us realize we were Seniors was when we got our class rings, which we were all very proud to claim.

Although our school term had been shortened and it was necessary for us to go to school on Saturday, we the Seniors of 1942, are proud to say we could do something to help protect our country during this terrible crisis. Another great conflict during our senior year was the changing of the schedule at the end of the first semester because two of our teachers volunteered their services to help protect America. Nevertheless, we felt it our duty to continue our work with smiles on our faces as though nothing had happened.

The Senior play, "My Cousin From Texas", was presented in the High School Auditorium under the direction of Miss Duncan.

The last and greatest events of our school year, as you know, were; Stunt Night, which was presented March 20; Junior-Senior Reception April 29, Class Night, May 21. The Baccalaureate Sermon was delivered on May 17, and graduation on Friday 22.

We are proud to present the two students of our class who have fulfilled the requirements to become Valedictorian and Salutatorian of the Senior Class. Those who were the winners of these honors for the year of 1942 were Edrodean Fisher and Mildred Teaford, the former being valedictorian and the latter, salutatorian.

We hope our school will progress as successfully in the future as it has during the years we have spent here, to the faculty and student body, we the Seniors of '42 bid "adieu."

SENIOR CLASS POEM

We entered our Freshman year at school,
As frightened as we could be.
But now we've studied the golden rule,
And advanced in our school work, you see.

We went from Freshmen to Sophomores,
Learning more and more every day
And now you see what we have in store
To help us along our way.

The Junior year followed in line
And we gained knowledge untold.
We're now, of course, doing very fine
As we draw nearer and nearer the fold.

Last we entered the Senior year
With trials and troubles to bear,
But we were not all tattered with wear;
We were ready to keep working without a care.

We've all tried willingly to do our best
And studied hard with zeal and zest.
As we come to the end of an unknown road
We hope to follow a new one with lighter load.

We hate to leave you, dear old school,
Teachers and everyone, as a rule.
But we're the Seniors of '42
And to the old Alma Mater we bid Adieu.

CLASS PROPHECY

While looking through a bunch of old letters that belonged to Mr. H. H. Addy, once freshman teacher of Eagle Rock High School, we came across an airmail letter that had this return address on it:

The Senior Class of '42
Eagle Rock High School
Eagle Rock, Virginia U. S. A.

With his permission we opened and read it. We were very much interested in the contents and maybe you would like to see part of it, too.

October 14, 1951

Dear Mr. Addy,

At an Alumni meeting of the class of '42 we found that those "little Rats" you taught way back in '39 have gone high, wide, and handsome. We are pretty well represented everywhere as secretaries, nurses, doctors, teachers, preachers, farmers, and executives. We're backing Uncle Sam, too, for we've even got some soldiers and sailors.

A Civil Service Examination was being given after the meeting and several of our girls stayed to take it; they might be able to give the government a little help. Norma Crush, came down from New York; Ruby Crush, from The Richmond Police Department; Juanita Kern, Secretary for Radford Powder Plant; Betty Laudermilk, Paramount Studio, Hollywood, California; Jeressa Simmons, secretary to the Governor of Virginia; Marguerite Vaughn, secretary for the Eagle Rock Milling and Manufacturing Company; Edroean Fisher, private secretary for the West Virginia Pulp and Paper Co., in Covington. Now everyone is going to work in Washington but "Fisher", confidentially she couldn't leave the Paper Mill.

Everyone was having a grand time when all eyes turned to the door and there in uniform stood three sailors, John Barger, Marion Noel, and Warner Newcomb; two army aviators, Dempsey Bostic and Glenn Noffsinger; a state policeman, Ray Wilhelm.

CLASS PROPHECY

Mr. Addy, the talk of the evening was about the great operation that had been performed on James McCoy, the Glen Wilton Undertaker. Saving James' life was important but just think Melvin Parr, medical surgeon of John Hopkins Hospital and his staff of three very efficient nurses, Vivian All, Martha Fridley, and Annie Caldwell, did the work.

We should mention a few of our home town boys next. There is Joe Buhrman, cashier of the Eagle Rock Bank; Frank Simmons, mechanic in Eagle Rock Garage; and Londo Britt, owner of the Shiloh Farm.

Gloria Parr who has been teaching in Indiana has just returned home on her vacation.

Helen Teafor and Thelma Crawford who have opened a beauty parlor in Hollywood, California, have as their secretary, Mildred Teafor, who was secretary of the Senior Class.

There are two of our boys who have made much progress: Clinton Rock, of the Oriskany Air Port, and Cecil Wilhelm, Commissioner of the State Highways of Virginia.

George Anderson, who was our star basketball player in 1942, is now referee for the basketball games in Madison Square Garden, New York City.

The shortest member of our class was Buddy Beamer, who has risen to one of the highest ranks obtainable. He is a preacher in the Baptist Church in Chicago, Illinois.

Charles Hannah, a civil engineer, is now employed with the Dither's Construction Company, Omaha, Nebraska.

Last but not least is Alma Barger and Elbert Brooks who are happily married and living at Newport News, Virginia, where he is employed by the Gulf Oil Company.

LAST WILL AND TESTAMENT

We, the Senior Class in the year of our Lord nineteen hundred and forty-two, on the eve of our departure from Eagle Rock High School, do declare this to be our last will and testament and do hereby bequeath our worthy goods and dispositions in the following manner, with the request that they be received with due appreciation and respect.

JUNIOR CLASS POEM

Our Junior class of forty-one and forty-two,
Is striving daily new things to do.
Each day bringing forth new problems unsolved,
But to conquer each we've firmly resolved.

Our teachers, who labor so faithfully each day,
Are our guiding lights on our upward way,
Though at times, careless and indifferent we may seem,
We hold each one in our highest esteem.

Every year brings hardships greater to bear,
But we as Juniors must be willing our part to share.
Onward and upward, our goal is set high,
To be a Senior some day we must do more than just try.

JUNIOR CLASS HISTORY

Dear Miss May:

We, the Junior Class, confident of your interest in us, have decided to relate to you our activities since you were unable to continue being our home-room teacher.

We welcome seven new members to our class. As you have learned, they were indeed real assets.

We have the following officers; President, Grayce Bostic; Vice-President, Eleanor Stull; Secretary-Treasurer, Alvin Peters.

After that we were confronted with the problem of electing candidates for "The Eagle's Cry" staff. The nominees gave campaign speeches in assembly and their names were later submitted to popular votes. Four Juniors emerged among the victors: Assistant Editor, Susie Bryant; Assistant Business Manager, Bob Myers; Class Reporter, Ann Thrasher.

We are also outstanding in Basketball with three dashing guards as follows; Eleanor Stull, Elise Williams, and Grayce Bostic. Our three flashing boys are: Hollis Hambrick, Ethan Rogers, and Manager, Charles Vaughn who are full of enthusiasm and always ready to "go" after the ball. We are presented in the cheering group by the "super" Haysel Simmons.

We are also recognized in the Band with three members.

To improve their singing ability, ten members of the class took part in the Glee Club.

This does not mean that we have had all work and no play, as fun has been combined to make this a happy year for us all.

Smilingly,

THE JUNIORS

SOPHOMORE CLASS POEM
(Miss Wood's Section)

Way down in E. R. H. S., hidden not far from view,
Is an ancient old class, known by not only a few;
To the regular fellow student we know it must seem,
Just a lonely old class, holding many a dream.

But to us it has memories richer than gold,
And it has beauty, this class of old;
For it is a part of our childhood,
And we have learned a great deal,
Ever since we started to school we have studied with zeal,
Some day you'll be a Sophomore,
For you will mend the worn rows and straighten the home-
room door.

We'll not make it "modern" 'twould spoil it we say;
But ~~we~~ we'll just fix up our classroom for you in an old
fashioned way,
For from Sophomore we are going away,
Not to stay we must say,
But to return as fixed
Juniors in the coming days.

SOPHOMORE CLASS HISTORY

In this eventful year of 1942, we, the Sophomore class,
are proud to say we have been doing our part.

During "42" a change has been made in our weekly school
schedule. We all realize school on Saturday will help in many
ways and we can truthfully say that our attendance has been
nearly 100 per cent every Saturday.

This year we elected new class officers, wisely the fol-
lowing were chosen, Elizabeth Fuller, President; Alice Ann
Dudley, Vice-President; Allen Hudson, Secretary-Treasurer;
Adelaide Deisher, class reporter.

Our Sophomore Class is very well represented on the girl's
basketball squad, all of whom are excellent players. They are
Elizabeth Fuller, Captain Alice Ann Dudley, Mary Beverly Smith,
Lorene Newcomb, Josephine Johnson, Francis VanNess and Adelaide
Deisher.

Here's wishing you the best of happiness and success.

SOPHOMORE CLASS HISTORY (Non-Vocational)

On the fifth day of September, nineteen hundred and forty-one, thirty buzzing girls and boys were all in a group, known as the Non-Vocational Section of Sophomores. How happy and delighted we were to know that Mr. John E. White would be our guiding teacher through-out the term.

We heartily and happily welcomed three new members to our class who were: Helen Lois Still, Ronald Caldwell, and Mary Taylor. Johnny Myers took all of his subjects with our group. The following were elected class officers: President, Buck Dudley; Vice-President, Lacy Stinnett; Secretary-Treasurer, Frances Hambrick; Reporter, Helen Lois Still who left us. Mary Bryant took her place as reporter.

We were not bothered about the problem of selecting candidates for "The Eagle's Cry", staff. From our group of Sophomores Mary Taylor was elected as art editor of the newspaper.

The Sophomores were represented in the various organizations of our school, especially in the Glee Club. There are Frances Hambrick, Lacy Stinnett, Hattie Toaford, Frances Simmons, Buck Dudley, Harold Wilhelm and Mary Booze. We also have two members of our class in the band: Carrie Barger and Joey Stull.

Harold Wilhelm, Buck Dudley, Essie Smith and Billy Hambrick were on the basket-ball squad and proved themselves most capable guards and forwards.

We had Mr. White as our teacher at the beginning of the term but he has gone to help Uncle Sam. We hope that he will be happy in this work. Thus we have as our present teacher Miss Julia Twyman of Fincastle and we are very proud of her.

All of us have been told that our high school days are the happiest of our lives and we are proving this to be very true.

Thus concludes our history of this eventful year.

FRESHMAN CLASS HISTORY
(Non-vocational)

On September 4, 1941, twenty-three of us entered high school as non-vocational Freshmen, with Miss Bundy as our home-room teacher.

All the teachers were new to us. We started the day with Math. and Science, Miss Wood as our teacher. Then we went to English class where we found Mr. White. He also taught the boys Physical Ed. Then we came back to our homeroom for Social Studies.

One of the first things we did was to elect our class officers. Earl West was elected president; Hazel Walker, Vice-President; Margaret Thurston, Sec.-Treas; and Alma Lawhorn as reporter.

Our initiation by the Juniors was next. I believe we will remember it until we become old. We were frightened almost stiff. At last the day arrived and every Freshman had his or her hair tied with green crepe paper. After going through different ceremonies in the assembly period, the initiation was over. My! what a relief! As we look back over it now it really was not as bad as we thought at that particular time.

FRESHMAN CLASS POEM
(non-vocational)

How well we remember
The years that have gone by,
Our rooms and our teachers
Where many pleasant memories lie.

Now here we are
In Eagle Rock High,
How we love these teachers
Who answer our eternal question--why?

We are Freshmen this year
With our new classes and fun
In our little home-room here
We will try to get all our work done.

We hope next year
That each will be a Sophomore
That we shall love our teachers dear;
And make A's by the score.

Then in '43-'44
We will Juniors become
And study harder than ever before
To improve what other classes have done.

And then our Senior year will come
With all the joy and the fun,
Working, playing, taking exams.
Then Graduation, our High School life is done.

FRESHMAN CLASS HISTORY (Vocational)

Well here we are Freshmen at last. We thought we were never going to make it, but it finally did happen. Our heads were still empty but with the help of Mr. Givens, Miss May, Mr. White and Miss Harry we soon began to settle down to work. Then here came the Juniors with that dreaded "Rat" day. We had a good time with green ribbons in our hair and bowing to the Juniors all day. We really learned to be polite that day. We survived the ordeal and decided that it wasn't so bad after all.

Soon we settled down to work again and some of us joined the various clubs of the school. We learned from the Juniors that we had to toot our own horns so six of us joined the school band.

Before we knew it the Christmas Holidays were at hand. January 5, back to school again. Then began our basketball season, and what a time we all had attending the games. Before we hardly knew what it was all about we were taking mid-term examinations.

We were sorry to learn that we were going to lose two of our teachers, Miss May, to the Airlines and Mr. White to the United States Army Air Corp. Then Mr. Sisson taught us some of our classes until he could turn us over to Miss Twyman and Miss Carlton.

As we moved on with many interesting things happening, we now find ourselves preparing for final examinations. With the goodness of our teachers and some hard work on our part, we hope to climb a step higher for another year.

FRESHMAN CLASS POEM

Why came these many pupils forth,
From east and west from south and north?
We came to learn old truths and new
Of art, great lives, and service true.
Oh! Must they part this happy band
That have been such comrades and worked hand in hand?
No, we shall never parted be
From classmates and the school which we love loyally.
For though our Freshman days are o'er,
We'll prove next year that we're true Sophomores.

STUDENT ADVISORY COUNCIL HISTORY

On October 9, 1942, the students of Eagle Rock High School selected a group of representatives from the student body, to be known as the Student Advisory Council. Their purpose was to promote co-operation and fine relationship between students, faculty and administration, besides giving the pupils a larger part in planning and carrying out school activities.

Toward this end, they worked on several projects. The first under-taking was that of planning and directing the annual Halloween Party, which proved very successful. Other projects were getting cheer leaders for the school, planning assembly programs, and sponsoring a clean-up campaign. One of the most worthwhile activities has been that of selling Defense Stamps. To date the sales have amounted to \$250.00. The club also interested organizations in several other county schools in the sale of Defense Stamps.

A Merit and Demerit System has been adopted by this group of students to be put in practice by the student body. This means that students who do outstanding work, in scholastic and extra-curricular activities, will be recognized. Pupils who do poor work and cause disturbances shall accept a prescribed punishment. The club hopes that by the time school closes it may have a constitution and by-laws worked out so that a very permanent organization will result. If possible a Student Co-operative Association may develop.

As we look back, we feel that our first year as an organization has been very successful.

We appreciate all the co-operation we have received from the faculty and the student body, without which we could have accomplished nothing.

Coach---Francis W. Sisson

AS WE SEE THE BOYS

Frank Simmons, Captain, a dependable guard and leader, one who steadied the defense and placed the forwards in scoring position.

George Anderson, a high scoring forward, fooled many guards with his ability to drop long shots from the center. He also could dribble the ball through the opposing defense.

Glenn Noffsinger, really a dead-eyed forward, could crack shots from any spot on the floor. Being left-handed he tricked many opposing guards.

Ray Wilhelm, a fast breaking guard, was always ready to cut down the court for a long pass. He was never slow to get on the defense.

Cecil Wilhelm, a high jumping center, broke up many high passes made by the opposing team.

Hollis Hambrick, did well at center, but always willing to do his best at any position.

Billy Hambrick, another good forward, gave the team his fullest support, whether he was on the bench or in the game.

Harold Wilhelm, a fast player in any position, kept a sunny smile no matter how dark things looked.

"Buddy" Beamer, a very accurate passer, one who made up in speed what he lacked in size.

"Buck" Dudley, one of our promising forwards. A hard worker.

Ethan Rogers, first year's experience with basketball. Will be greatly improved next year.

Essie Smith, tallest player on the squad. His height should give us many points next year.

THE GIRLS IN ACTION

Sounds like a million people
All shouting, you can tell
Led by three peppy cheer-leaders
Just listen to the yells.
One! Two! One! Two!

She's a wonder, she's a dream
She's the Captain of our Team!
San! San! San!

Who can guard and pass and race
On down the court as fast as
Grayce! Grayce! Grayce!

She may not have played in every game
But she's right in there pitching just the same
Adelaide! Adelaide! Adelaide!

Let's give a yell-come on, roar!
For that gal who's got high score
Libbie! Libbie! Libbie!

We saw her play her first game this year
Now to see her guard just makes us cheer for
Jo! Jo! Jo!

A versatile bid, O yes! You bet!
Forward or guard, she hasn't failed us yet
Rink! Rink! Rink!

That center forward is pretty snappy
Just to watch her makes us happy
Bev! Bev! Bev!

She may look like a dainty old-fashioned girl
But watch her keep that forward of hers in a whirl
Socks! Socks! Socks!

Just watch those long, sure shots connect
She's got that team befuzzled in one split sec.
Punk! Punk! Punk!

Sophomore, Junior, Senior,--Our goal defender
From E. R. H. S., this year we'll hate to send her
Jackie! Jackie! Jackie!

A passer we all love to watch
And all the forwards she's sure to scotch!
'Lise! 'Lise! 'Lise!
